SUBJECT Petition addressed to Government by Sri P Venkatiah and others residing in - Sunkenahalli village, Kasaba hobli, Bangalore Taluk praying for grant of sites in S.No.9 of Sunkenahalli for building houses.

With reference to your Memo No.L.14886 dated - 25-3-1948 forwarding for report the above petition, I have the honour to state that the Trust Board has formulated a - Scheme for connecting the Basaveswara Temple Road with the - Narasimharaja Colony. The proposed road connecting the two area passes in S.No.9 of the Sunkenahalli village The Government have referred back the Scheme to the Board for resubmission with a modified alignment of the Road, suggested by the Government Architect ~~which if adopted will leave very little space in S.No.9 for any sites to be formed~~.

The eastern portion of the S.No.9 which may be - left over after the formation of the road is just below the Basveswara Temple, and the whole beauty of the area surrounding the temple and the Bugle rock will be spoilt if the residents are allowed to buildxm houses in this portion.

The entire S.No.9 is stated to belong to this ancien Muzrai Temple of Basavanna Devaru.

P.T O.

A sketch showing the original alignment of the proposed road and as suggested by the Government Architect and the Temple and Bugle rock area is enclosed for favour of reference.

The petition received with your memo under reference is also retransmitted herewith.

I have the honour to be,
Sir,

Respected Sir,

Humble representation of the undersigned residing in Survey No 11 of the Sunkenahalli village, Kasaba, Bangalore

---

We most humbly beg to bring to your kind notice that we were living in rented houses in Sunkenahalli village There was plague in the village about a year back and all of us had to leave the houses and hence, we shifted our residential places to the Survey No 11- Mallikarjunaswamy Inamthi - and we have been living here for over a year in the small huts put up by us

On 21st May 1947, the Patel and the Shanbhogue of the place came and threatened us to vacate the places We then represented to the Amildar, North Taluk, the extreme hardship to secure -- dwelling houses and presented a petition explaining the circumstances The Amildar was kind enough to say that we will not be subjected to any hardship and that we would be given places in Survey No 11 for putting up the huts So far, we have not been favoured with any orders in the matter

We are given to understand that Mr B M Srinivasayya has purchased the land and that the servants who are working under him, have been asked to remove the huts from the spot This warning has been a nightmare on all of us and we will be exposed to untold miseries if we are asked to vacate the spot It is needless for us to reiterate how hard it would be to think of dwelling places in the City of Bangalore, especially, for poor servants of our standard getting barely a sum of Rs 15/- to Rs 20/- a month, as peons of several Government Offices

Under the above circumstances, we most humbly pray that you may be pleased to grant small sites to each of us at upset price in Survey No 9 (Nine) of the Sunkenahalli village, Kasaba Hobli Bangalore North Taluk We have already given an application to your honour on 16-1-1948 by affixing Rs 22-2/-Stamps bringing forth the above facts

Hoping to be favoured with our humble prayer
